

Chattahoochee Band Programs  
Scholarship Application

You must submit your materials by March 1<sup>st</sup> of the year prior to the season you are making application for. Scholarships are for fees associated with the band program. There will not be any 100% scholarships awarded.

Criteria for financial need and fundraising activities must be met for a scholarship to be awarded. Not all applicants meeting the criteria will be awarded scholarship funds. Awards will be given on a need basis and on the availability of funds.

To remain unbiased, the Chattahoochee Executive Booster Board will make award decision based on anonymous applications. The Treasurer will assign a number to each applicant and will be the only member who knows to whom the application belongs. Neither the Treasurer nor the Band Director will vote on scholarship awards.

Criteria:

1. Financial Need: The student must show financial need for the scholarship funds.
2. Students must be current on all prior band fees and/or have a plan in place to become current in order to be eligible for a scholarship.
3. The student and someone willing to apply time to the band member's account must be willing to work fundraising activities, including Verizon and Chattahoochee concession stand work for a minimum of 30 hours throughout the year. If the student and designee do not fulfill this requirement, the student may forfeit scholarship funds and/or will not be eligible for future scholarships.
4. The band member must participate in all other fundraising activities offered throughout the year including popcorn, fruit, cheesecake, candle sales, etc.
5. The band member must agree to volunteer in the band program projects and with the booster organization outside of usual band activities such as helping with props, cleaning the instrument room, cleaning the guard room, setting up stands, etc., or other responsibilities given by the band director.

As the applicant, I understand and accept the above criteria:
