Your signature on this agreement is a commitment to participate in the COLORGUARD. Please be certain you understand all of the requirements before you sign your name. A parent/legal guardian MUST co-sign this agreement even if the student is 18.

2. REFUNDS:

If, for any reason, the student and parent decide that participation in the Churchill COLORGUARD is no longer viable, and you withdraw by your own choice, there is a refund schedule pro-rated based upon your date of termination. Please read this policy carefully. We will withhold a certain percentage of fees paid as determined by the date that you have chosen to terminate membership. The later you depart, the more money has been 'pre-committed' or already sent to vendors and are not refundable.

If you have paid all fees on a timely basis, the following schedule will apply:

Prior to June 1 st	100% Refund
June 1 – June 14th	50% of payments received

June 15 th – July 14 th	50% of payments received
July 15 th – August 14 th	33% of payment received
August 15 th and after	0% refunds are available

3. Involuntary Termination of Membership

If Involuntary Termination of membership includes removal from the band program for medical release (injury) or life circumstances change (ie loss of employment) cause a student to not be able to participate/travel, we will meet to discuss the situation case-by-case with each family and our administrator to determine a refund plan. Where possible, we want to be supportive in these situations.

If involuntary termination of membership includes removal from the band program for flagrant misbehavior, recurring discipline issues, insubordination (destruction of property, fighting, hazing, etc.) or poor attendance there will be no refund issued.

-----PLEASE SIGN BELOW AND RETURN WITH OR PRIOR TO YOUR FIRST PAYMENT-----

I understand the financial obligations of membership in the Churchill HS Colorguard and am committing to membership. I understand that I need to remain current with my payments in order to maintain membership and can be removed from practices and performances if all payments are not made in a timely manner. I have read both this financial agreement and the document titled "Things I need to know about the Churchill Band." If circumstances arise which will make payment deadlines difficult to meet, I will schedule an appointment with the Head Band Director and come to a financial agreement in writing as soon as is practical.

Regarding finances I will make payments:
