

Thank you for fundraising with us!

We hope to benefit your organization through a new and fun way to raise money and here's how it goes:

When you or your supporters enter our Express Wash at the corner of Hurstbourne Parkway and Taylorsville Road, select the **FUNDRAISER** option at either pay station terminal.

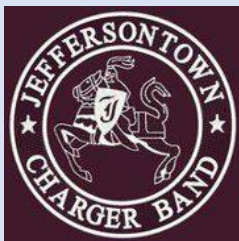

When prompted, input your unique code shown below so we are able to track the amount your supporters have raised.

Select either one of the top washes and continue to pay as you normally would. This amount is stored and all are added up at the end of the month.

Organization –
J-Town Band Parent's Association

Your unique code –

9600

Raise money and stay spotless at Thomas Car Wash!
