### SUPPLY LIST

The instrument and supplies are reserved at the music store or online and will remain there until the store delivers the items to KMS. Your child will receive the items on the first day of class.

- Instrument
  - Important features of the instrument:
  - A wooden or carbon fiber bow with horsehair and ebony frog
    - Bass - please select French bow
  - D'addario Prelude or Dominant strings
    - Bass - Helicore strings
  - Four fine tuners! One for each string on violin, viola and cello
  - Ebony fittings
- Accessories
  - Case
  - Rosin
  - Cleaning cloth
  - Shoulder rest for violin and viola
    - Everest brand preferred
  - Rock Stop for cello and bass
  - Folding Music Stand
    - Needed for home practice to help with proper posture
- 1:X iPad
  - KMS Orchestra is a fully implemented course with the 1:X initiative. Please register your student for the 1:X iPad so your student may fully participate with the orchestra class.
  - Specific apps are required or recommended for the class. Your student will be asked to ask parent permission to download these apps when the iPads are distributed in the fall.
    - Write on PDF - Free
    - Tonal Energy - \$3.99
      - This app is designed and developed by a music teacher in Texas. This app purchase replaces the method book normally used by a beginner orchestra class – typically \$8. This app as well as other apps are a lifetime purchase under the registered Apple ID account.
    - Edmodo App - Free
