McDonald Band

Home Football Game Guidelines

- No food or drink in the stands. We have had too much spilled on people and horns to allow it any more
- No gum, candy, or anything in your mouth during the game that could harm your horn or YOU!
- We will sit together as a section and as band. Nobody else allowed in the stands with us. And we will not go sit with anybody else in the stands
- Blue jeans will be long school appropriate jeans. No large decorations on them. Must be long jeans, not capris or shorts.
- Tennis shoes need to be worn to allow greater traction on the stands for your safety
- If you need it for the game, it is your responsibility to take it to the stadium, and to bring it back.
- Band polo shirts will be tucked in at all times while performing with the band. You may un-tuck when we are back at the band hall from the stadium.
- Bring your home wire stand and use it in the stands if you have one. If you don't have one, you can use one of ours
- No hats, sunglasses, large jewelry, or extra decorations on you or your clothes.
