THE BEST PART ABOUT SCRIP FUNDRAISING - YOU DO NOT HAVE TO SELL ANYTHING!

Scrip is gift card-based fundraising; there are no inflated prices and no products that you don't need. If you buy groceries, gas, eat out or shop at Walmart, you can participate!

For every gift card you purchase through www.shopwithscrip.com, a rebate is given to the BRBB to be applied to your student account.

HERE IS HOW IT WORKS:

Pay the full price for the face value of the gift card; the card is worth that amount.

For example:

- A \$50 Chili's gift card costs \$50 and is worth \$50.
- The 11% rebate (\$5.50) is given directly to the BRBB
- 80% of that rebate (\$4.40) will be applied to your student's account, and
- 20% (\$1.10) will go to the BRBB general fund to help cover shipping costs and build the general fund

There is no limit to the amount that you can earn!! The only cost to you is a minimal fee of .15 per order for using PrestoPay (similar to PayPal).

HERE IS HOW TO GET STARTED:

1. Go to www.shopwithscrip.com to create your family's account. (this takes about 5 minutes)
 - a. Click on the blue "Join a program" box on the top right side of the page
 - b. Next you will need to enter the BRBB's enrollment code and click "Register."
 - c. If you do not have it, email your Scrip Program Coordinator for the code. scrip@soudertonbigred.org
 - d. Fill out the personal information fields.
2. Sign up for PrestoPay so that your order can be paid for securely online via electronic debit from your checking account. (This is required by BRBB)
 - a. Log into your ShopWithScrip account. Next, click on "Dashboard" at the top of the screen. Finally, click on "Payment Types" under Family Functions.
 - b. Choose if you want to instantly link your bank account or manually enter your bank information. The only info asked for is the same info that is visible on your checks...just like payroll direct deposit. Manually entering your info will take 2-3 days to process. Within a day or two, two small deposits will be made into your bank account by Scrip.
 - c. When you see them show up in your account, go back in under "Payment Types" in your Scrip account and enter the amount of those two deposits. You will be given a 4-digit verification code.
 - d. Email your confirmation/verification code to scrip@soudertonbigred.org so that your PrestoPay account can be unlocked.
3. **Do not place any orders yet!** Wait to be contacted by scrip@soudertonbigred.org that your verification code has been applied to your account. Then you are set up and ready to begin placing orders for plastic cards and ScripNow! ScripNow are instant gift certificates that will show up in your dashboard and in your phone's 'MyScripWallet'. You can print out ScripNow! gift cards or use them directly from your phone.

NOW YOU'RE READY TO SHOP!

1. Log in to your ShopWithScrip account and click on "Shop" at the top of the page. At checkout, remember to choose the PrestoPay option.
2. You can browse for nationwide or local stores. If you are buying grocery Scrip cards (Giant, Landis, and Hennings), look for the "BRBB Giant", "BRBB Landis", or "BRBB Hennings" icons when you order.
 - a. Grocery gift cards are kept on hand, so you can pick up those cards the same day the order is placed. And they carry a 5% rebate instead of 4%.
 - b. Every Monday orders are processed for plastic cards. Your coordinator will receive orders later that same week. An email or text will be sent to individuals when the cards have arrived. At that time, arrangements will be made for distribution...i.e. given to your student at the beginning/end of band practices, events, or pickup.
