Our Mission • The West Forsyth Band Boosters exist to support music education and student participation in the West Forsyth High School Bands and Band Auxiliaries. Through financial contributions and the efforts of our volunteer membership, we seek to create opportunities for band students to expand their knowledge of music, achieve challenging goals as a group, and enjoy a rewarding band experience. These sponsorship opportunities will display your support of the *Pride of the West Band* and keep over 200 students active and involved in a worthwhile activity.
