ABOUT MUSIC IN OUR SCHOOLS MONTH

The MASD Music Department will be holding the 14th Annual All-District Music Concert on Tuesday, March 21, 2023. This concert represents all school buildings, with students ranging in grades fourth through twelfth performing in this musical extravaganza. These performances coincide with the National Association for Music Education declaring March as "Music In Our Schools Month" (MIOSM). This month-long celebration is a nationwide movement in music education dedicated to advocating and recognizing the profound impact that music education plays in the lives of all children. The theme this year is "Music Makes the World Go 'Round".
