

2022 Mountain Ridge Summer Band Camp

When: July 23, 2022 through July 27, 2022

Where: Pine Summit Camp, Prescott, AZ

Cost: \$300 per Student and \$250 per Chaperone

BAND CAMP is right around the corner and probably the most important time for the Marching Band! This is how we start our successful marching season and entire year!

Students who attend camp each year are much stronger marchers, musicians, and guard members. They have a great time, start learning the drill, memorize the music, and take care of all the "nuts and bolts" that need to be mastered before the school year kicks off.

Additional benefits to each student:

- awesome attitude
- great discipline
- fun with friends and make new ones prior to start of school
- band/guard students are leaders by example all year long

The students who don't go to band camp:

- start off behind in music, marching, guard, and social relationships
- are not able to share in band camp stories and experiences
- will not have a drill "spot" in the competitive show

Attendance at Band Camp is REQUIRED and is mandatory for a marching spot in the competitive marching show. Drill spots are learned at camp, so students simply must attend to earn a spot. Students with conflicts should contact Mr. Vogel as soon as possible.

We staff chaperones at a 1:10 ratio every year. Volunteers who expressed interest in May needed to complete DVUSD volunteer training, submit DVUSD volunteer paperwork and **must have a valid fingerprint clearance card**. The district has not resumed fingerprinting at this time. If you do not have a card you will need to go to a LiveScan Az location to get that done **prior to the end of the school year**. <https://www.arizonalivescan.com>. Over the summer, the school district verifies all chaperones and by mid-July we should know all who are clear to chaperone at camp. Note: Keep track of when volunteer training fingerprints are done. DVUSD Volunteer training is required every three years. Interested in chaperoning at a future camp: Please email volunteering@mrhsbandaides.com.

The last day of camp is Wednesday, July 27, 2022. At 10:00 am that day, the students will be giving a marching exhibition and music performance for families. It's always fun to see the kids at this early stage of the marching season and compare it with what you see and hear at the end of the marching season! Hope to see you there!

HOW PARENTS/GUARDIANS CAN HELP:

If you would like to help with camp, there are many things you can do even if your time is limited. Please email volunteering@mrhsbandaides.com if you are interested in daytime-only chaperoning, driving a truck or towing the golf cart trailer to and/or from camp. Check Charms for open positions.

Truck Driver - Drive one of the three Enterprise Rental Trucks up to the camp in Prescott and return to Glendale.

- This is a one-day activity and is exciting as you get to arrive at the camp before the kids and see them when they arrive. Plan to be at Mountain Ridge with the truck before the students show up as their instruments and suitcases will go directly into the trucks. Mountain Ridge Band has an account with Enterprise and the trucks are already reserved so you don't have to have a credit card number on hold at Enterprise when you pick up the truck; just tell Enterprise you are with Mountain Ridge Band and have your driver's license ready.
- When you get back in town, fill up the truck with fuel, save your receipt, drop the truck off at Enterprise, and submit a request for reimbursement for the fuel to the MRHS BandAides. The Enterprise location we use is located at 24333 North 19th Avenue, ½ mile south of Happy Valley on 19th Avenue.
- Golf Cart Trailer - Tow the golf cart trailer up to camp in Prescott. All that is required is a vehicle with a trailer hitch and enough towing capacity to tow a small trailer with a golf cart as its load. You will leave the trailer at camp so you don't have to come back with the trailer if you are going home after you deliver the trailer to camp.
- Truck Loading - Help with loading up the trucks and students. Jump in! We all help out.

Sunday July 24, 2022, Monday July 25, 2022, Tuesday July 26, 2022

These are low-key days for the chaperones and parents, you can come up and hang with the volunteers, help with spraying the lines on the marching field, keeping the water jugs for the kids full, deliver any forgotten items; we might be doing trailer maintenance, show construction, and absolutely having fun.

Wednesday, July 27, 2022

10:00 am - Marching Exhibition and Music Performance for the parents. This will be your chance to hear the music for the new show!

If you are towing the golf cart trailer or driving one of the Enterprise trucks, you should try to make it up to camp in time to see this!

11:00 am Help load the trucks up at Camp. We need ALL to help load.

On Wednesday, we bring the kids back from camp and we need three truck drivers to bring the instruments and suitcase back to Ridge. You will need to pick up the truck from Enterprise and drive it up to the camp and we load both before breakfast and final loading after the performances. After the trucks are back in Glendale and unloaded, fill up the truck with fuel, save your receipt, drop the truck off at Enterprise, submit a request for reimbursement for the fuel. The Enterprise location we use is located at 24333 North 19th Avenue (½ mile south of Happy Valley).

Tow the golf cart trailer back to Ridge. All that is required is a vehicle with a trailer hitch and enough towing capacity to tow a small trailer with a golf cart as its load. The trailer will already be at camp so you don't have to tow the trailer up to camp.

Arrival back to school is scheduled for around 4:00 PM. Flexibility is important as this can change. Please stay in contact with your student who will be on the bus. Please be sure to pick your student up ON TIME at the school.

While you are waiting for your student at Ridge, help Unload the Trucks! Chaperones and students will be tired. Mr. Vogel can't go home until everything is unloaded and the students are picked up.

Band Camp is an important way to kick off our season. **Please know the cell service at the camp is spotty at best, so do not be worried if you do not hear from your student!!** They will be busy, but will be making great memories and friends! If you have any questions, please reach out to any member of the BandAides. We've all been new band parents at one point! **You can also ask veteran parents questions anytime on Slack in the #newparent channel! Welcome to the Ridge Band Family!!**
