## 2020-2021 Big Red Band Boosters Parent Handbook

On behalf of the Big Red Band Boosters (“BRBB”), I invite you to join us in supporting the 2020-2021 Souderton Area High School band program.

The band directors, staff, and students have been working through the summer to put together this year’s program. It should be another great season of inspiring music, new and renewed friendships and camaraderie rarely experienced in groups this size.

The staff and students work hard teaching and learning new skills, perfecting technique, and putting together a memorable show. It is the BRBB’s role to support the band and help them achieve their goals in whatever way we can. We hope you will be an active member, volunteering your time and talents to help make this season a success. There are many opportunities for you to get involved, including (but not limited to!) chaperone, car-parker, baker, and concession-stand worker. We have fun and the band members really do appreciate what we do. The best way to start is to attend our meetings on the **first Monday of each month** in the Band Room. This is where you can meet and get to know the other parents and families who share your commitment and enthusiasm.

This Handbook has been created as a useful reference for families. If you have questions, please don’t hesitate to contact any of the Executive, Standing, or Committee members. We’ll be happy to help you. From time to time content may change so always check our website, [www.soudertonbigred.org](http://www.soudertonbigred.org). It is the best source of information and is kept updated with the most current news, practice and performance times, directions to shows, and scores.

I look forward to working with and getting to know you. Many hands make light work and we need many, many hands!

### Let’s Go Big Red!

## Uniforms

For complete uniform information, see the *Marching Band Uniform Guide* on the BRBB website. Some uniform items are provided, others you will need to purchase.

Here are some highlights:

- Provided items:** tunics, bibs (aka “pants”), shako (the hat), shako box, plume, color guard show and parade uniforms.
- Items you will purchase:** member t-shirt, gloves and/or wristbands, shoes, socks, and any other required undergarment.
- Hemming:** Some bibs and tunics will need to have hems adjusted. The BRBB has

For additional information: Visit the Booster website at [www.soudertonbigred.org](http://www.soudertonbigred.org).

arranged for a local tailor to make any needed hem changes.

- **Garment bags are required.** Uniforms do not stay at the school during the outdoor season. Students will bring their uniforms to the Band Room on game days and take them home after games, competitions, and parades. You can use a bag you already have or buy one from the Band Store. Make sure the bag has a visible name tag somewhere.
- **Identify your uniform parts!** Everything looks alike. Write your name somewhere on your shoes, member shirts, and gloves. Tunics, bibs, raincoats, and shakos are all numbered. We track who is assigned to what number. To make it easy to find shako boxes, students are allowed to use masking tape and ribbon to decorate the boxes. Nothing permanent or with a strong adhesive that will leave a sticky residue.

## Volunteer Clearances

The BRBB depends on volunteers to provide support to students and staff. There are any number of opportunities for you to volunteer in many different areas. Your first step is to fulfill the SASD Volunteer Requirements.

As of June 2014, in order to comply with PA Act 153, all volunteers within the Souderton Area School District are required to have criminal background and child abuse clearances. The requirements are described on the District's "Volunteers" page, which is listed on the "Community" menu. The District also requires most volunteers to have a PPD (tuberculosis) skin test.

1. Every volunteer—both casual and program—needs to turn in a Community Volunteer Registration and Disclosure Statement. (There are forms for both guardian and non-guardian).
2. As of the 2015-2016 school year, all Program Volunteers need to turn in the Act 151 child Abuse Clearance and the Act 34 Criminal History Report. Both of these clearances are now free for volunteers and can both be completed online.
3. All Program Volunteers need to have a PPD test on file with the District.
4. Some Program Volunteers also need to submit a Federal Criminal History Record; this clearance requires fingerprinting (can be done at the District office) and has an approximate cost of \$30.
5. For a complete list of volunteer requirements, see the SASD website:  
<https://www.soudertonsd.org/cms/one.aspx?portalId=94382&pageId=113448>  
 There are opportunities for student volunteering at all home events. Please refer to student volunteer policy for away events and general practices.

For complete information, read the "**Volunteer Clearances Guide**", which you can find in the "Help the Band" section on the Booster website.

## Volunteer Roles and Responsibilities

**Parent participation is crucial for both fundraising and in supporting the performing groups at all their events.**

The BRBB runs on more than 1,300 volunteer hours every year, which very roughly breaks down to about 21 hours per family. While your participation is not mandatory, it is very welcome and is also key to our having a successful program. **We do ask that every band parent volunteer for at least five events between August and June.**

We also need and welcome behind-the-scenes volunteers that are not related to events, such as prop building, help with uniforms, and IT tasks and communications.

This section discusses a few of our major volunteer areas: Chaperones and the Middle Red and Big Red Truck Drivers. More information about the many other volunteer opportunities is in the “Help the Band” section on the Booster website.

## Chaperone

Being a chaperone is a wonderful experience! Everything will be provided for you. You do not have to pay admission for the event. You are there as an extra set of eyes, a helping hand, and a support. Just do what you do best—be a parent! As always, remember that we are examples and should act accordingly.

- What you need**
- First Aid Backpacks
  - Chaperone ID tags
  - Bus lists

- What you do**
- Before the event
- Check Charms and email for any new or changed information (change in report time/length of commitment, etc.)
  - Verify that student medical forms are with the Band Director. Please remember that all information on the medical forms is confidential.
  - Obtain the First Aid Backpacks from BRBB cabinet.
  - Get Chaperone Tag from lower front pocket of the First Aid Backpacks. Wear tag to identify yourself to staff, band members, and other groups.
  - Get water containers from band closet and fill with water from outside spigot. See Band Director for key to spigot. During hot weather, add ice to keep the water cold.
  - Announce yourself to the students so they are aware who is chaperoning.
- During the event
- Remain with the group throughout the event.
  - Carry the First Aid Backpacks; they must remain with you at all during the event.
  - If a student needs medical attention: assist the student to EMTs or paramedics and ambulance. Notify band director or staff member and call student’s parents if necessary. **CHAPERONES MAY NOT DISPENSE ANY MEDICATION DUE TO PENNSYLVANIA LAW. All medications must be dispensed by an instructor or by medical personnel only.**
  - Make sure students uphold the Big Red Marching Band behavior standards at all times.
- After the event
- Note any first aid items used (use the notebook in the front pocket of the First Aid packs)
  - If you used anything else from the First Aid Backpacks: Note what was used in the notebook that is located in the pack’s front pocket.
  - Return Chaperone tags to First Aid Backpacks.
  - Return First Aid Backpacks to BRBB Cabinet.
  - Return water containers to the BRBB Cabinet.
- Medical Emergencies
- Paramedics are available at every event if you require assistance.
  - For urgent situations, students should be taken to the hospital; notify Band Director and parents notified immediately.
  - For non-critical situations where you are still concerned: notify the student’s parents and let them decide what to do.
- Home Football Games
- Mark off area of bleachers where the band will sit with the Bleacher Reservation Tags that are stored in the BRBB Cabinet.
  - Remain in the stands and watch the band’s belongings during the third quarter when the band has a break.
  - Remove Bleacher Reservation Tags from stands after game and return to cabinet.
- Away Events
- There should be two chaperones and one First Aid backpack per bus.
  - Chaperones will take attendance on your assigned bus before leaving.
  - Ask students to take a moment to think and make sure they have everything they need.

- Assist getting equipment loaded and unloaded from the truck and on and off the field for the performance.

## Middle Red Driver

---

- What you need**
- Keys to Stadium padlock, field house door, and Middle Red
  - Personal vehicle: Must have appropriate trailer hitch and lights connection (2 inch ball and flat four or round 7 plug needed)
  - Truck Driver ID tag
- What you do**
- Before the event
- Check Charms and email for any new or changed information (change in report time/length of commitment, and so on).
  - Obtain keys and Driver ID tag from Director-at-Large
  - Pick up Middle Red from field house in the stadium. Fill with gas if necessary.
  - Wear tag to identify yourself to staff, band members, and other groups.
- During the event
- Tow/Drive Middle Red to event.
  - Position Middle Red for Pit to load equipment from truck.
  - Drive Middle Red onto field.
  - Move Middle Red off field during performance.
- After the event
- After performance, position Middle Red for Pit to load equipment.
  - Drive Middle Red back to equipment truck for unloading by Pit.
  - Tow/Drive Middle Red back to high school.
  - Return Middle Red to field house, secure door and gate to stadium.
  - Return keys and ID Tag to Director-at-Large.

## Big Red Truck Driver

---

- What you need**
- Keys to truck
  - Gas card
  - Truck Driver identification tag. The tag is in the truck keys pouch.
- What you do**
- Before the event
- Check Charms and email for any new or changed information (change in report time/length of commitment, and so on).
  - Obtain keys from Director-at-Large.
  - Pick truck up from Indian Crest Middle School.
  - If necessary, fill the truck with diesel fuel at Moyer Indoor Outdoor Fueling Center (Moyer's is next to ICMS).
  - Wear Truck Driver ID tag to identify yourself to staff, band members, and other groups.
  - Arrive at SAHS and back the truck up to loading dock at least **thirty minutes** before scheduled bus departure time.
- During the event
- Load large instruments, props, and other equipment onto truck. (Smaller instruments will go on the bus with students.) The truck crew will help.
  - When necessary, use bars and straps to secure the load. Bars and straps are kept in the loading dock hallway.
- After the event
- Drive the truck to event, following the buses.
  - Park the truck at designated location for unloading.
  - With truck crew, unload truck.
  - Move the truck to designated parking space if required.
  - Return the truck to the loading location and (with the crew) reload the truck.
- After the event
- Return to SAHS, back up to the loading dock, and (with the crew) unload the truck.
  - Return bars and/or straps to the loading dock hallway.
  - Use the broom in the loading dock hallway to sweep out the truck.
  - Fill with diesel fuel, if necessary, from Moyer Indoor Outdoor Fueling Center. Truck is to

be returned with the same amount of fuel as when it was picked up.

- Return the truck to ICMS in the same location and condition as you picked it up.
- Return the keys, ID tag, gas receipt, and gas card to the Director-at-Large.

## Tips for New Members / Parents

Please plan on attending football games and competitions to offer support and a rousing cheer when our kids come onto the field. There's always a bunch of "band groupies" sitting near the band at home football games and near the 40-yard line nearest the scoreboard at competitions. Just look for the RED!

- BRBB in Facebook**
- Big Red Band Boosters page:** [www.facebook.com/soudertonduckderbyrace](http://www.facebook.com/soudertonduckderbyrace)
- A public page with general, publicity-oriented band information.
- Souderton BRBB Parents group:** [www.facebook.com/groups/brbbparents](http://www.facebook.com/groups/brbbparents)
- Closed group.
  - Send a join request and tell us the name of your student.
- Souderton Big Red Marching Band group:** [www.facebook.com/groups/1451982721676623](http://www.facebook.com/groups/1451982721676623)
- Closed group run by the student band president.
  - It contains the season's schedule and other vital information for students.
  - This is the group for students to join.
- Cold Weather**
- Band members learn quickly how to wear layers under their uniforms.
  - Be prepared for cold weather: thermal shirts (such as Under Armor; but no turtlenecks, they show above the tunic collar), leggings (no sweat pants, they are too bulky under the uniform), warmer socks, and so on.
  - Hand warmers (available at local sporting goods stores) can be great on cold nights.
  - Students may also want to bring a blanket for the bus ride home on cold nights.
- Funding**
- Some funding for marching band and indoor group costs comes from the School District's budget. However, a significant portion of the costs related to these activities are funded by the BRBB.
  - The BRBB must raise approximately \$30,000 annually to cover budgeted expenses. This is done via concession sales, home shows, and fundraising activities.
- Meals**
- **Band Camp:** Students need to bring their own dinners and beverages. Use insulated containers as neither microwaves nor refrigerators are available. The BRBB may provide dinner on selected nights during Band Camp.
  - **Game days:** The BRBB provides a dinner on game days. To see what meal will be served when, visit the [BRBB website](#).
  - **Competitions:** Students need to bring their own dinners and beverages. Use insulated containers as neither microwaves nor refrigerators are available.
- Participation Fee**
- The BRBB charges a **\$55-per-student fee** to help defray the operating costs of the organization.
  - This fee is collected at the Parent Information Meeting the first evening of Band Camp and can be paid by check, Student Credit, or Scrip.
- Payments**
- Please make every attempt to pay via check or money order; *cash is discouraged*.
  - Make checks payable to "BRBB" or "Big Red Band Boosters".
- Pick-up and Drop-off**
- Pick-up and drop-off of the kids is on the Lower Road side of the school. Under no circumstances are you to use the side entrance near the band room for pick-up and drop-off, by order of the fire chief.
  - In addition, parking in the loading dock area is strictly prohibited. This space is required for the Big Red Band truck and the Middle Red tow vehicle and trailer.
- Red Box**
- In the Band Room, outside the office, there is a large red metal box: this is the Red Box.
  - Any money or order forms to be submitted to the BRBB may be placed in that box.

- Students: Do not put paperwork for Directors here; they cannot open the Red Box.
- **Scrip and Student Credit**
- **Scrip:** Families can earn rebates through the ShopWithScrip program.
- **Student Credit:** Students can participate in fundraising activities in order to earn Student Credit that will offset specified band expenses.

For more information, visit the “Parent Central” section of the Booster website.

## Football games

Students are not allowed access to their cell phones while in uniform except during the bus ride back to the school.

- **Game Days**
  - Band members are encouraged (not required) to dress up for school on the day of a football game. (The same is true for the school day before a competition if there is no football game that day.) This can include dress shoes, slacks, shirts; ties and jackets, dresses or skirts. Questions? Have them ask their captain.
  - Students report to the Band Room by 3pm. There will be a short practice, followed by a dinner break, then the game.
  - Students bring everything they need for both practice and the game to school in the morning and leave it all in the Band Room.
  - If something is forgotten: extras *may* be available for borrowing from the “Sharing Box”.
  - The BRBB provides a dinner on game days. After dinner, students change into uniforms.
- **During the Game**
  - The band sits in a roped-off section in the stands and play stand tunes during the game.
  - The band has the third quarter off and members are free to walk around the stadium area, visit with the other band, and get snacks and drinks at the concession stand. It is good to have \$5 to \$10 for concessions. (The uniform bibber has a pocket.)
- **Important!** **For home games, performance time is pre-game!** The band can take the field **as early as 6:30**, though it could be closer to 6:45 for a 7pm game. Get there early or you might miss the show.
  - Away games: The band typically performs at half-time.
- **After the Game**
  - If you go to an away game: Plan on driving directly from the game back to SAHS to pick up your student. The band usually arrives within 5-10 minutes of when you arrive.
  - The Director may hold the students for a short wrap-up meeting before dismissing them.
  - If you do not go to the football game: make sure your student has arranged for a ride or give them a cell phone so that they can contact you.
  - When possible, staff will send a text message via Charms to let you know the anticipated arrival time of the buses at SAHS.

## Competitions

Competitions are usually Saturday afternoons or evenings. Routines and procedures for competitions are similar to football games. Students are not allowed access to their cell phones while in uniform except during the bus ride back to the school.

- **Students bring...** Students need to wear weather-appropriate practice clothes and bring:
  - everything they normally bring for a football game.
  - Street clothes to wear during non-uniform time at the competition.
  - *Plus* a packed meal.
- **Competition Day: Students**
  - You will be given a “report time” and a “return time” each week: The report time is the time the students need to be in the Band Room ready to go. **The return time is the APPROXIMATE time they anticipate getting back to school. Please understand the return time can vary for a variety of reasons.**

- There may be a short practice at the school.
- There is a short dinner break before students change into uniforms and board the buses.
- At the host school, the band will practice until it is their turn to perform.
- After performing, the students may change into “street clothes” (jeans, sweatshirts, and so on), so be sure they bring a *warm* change of clothes (it gets cold even in September in the evening) including shoes (sneakers suggested). Remember, they sit in the stands for the entire night. Many kids bring blankets to help keep warm.
- Students may wear their Big Red Marching Band raincoat as their top coat. They are allowed to wear sweaters or lighter coats underneath on those cold nights.
- Students are allowed to visit the concession stand after they perform, if time allows. It is good for them to have \$5 to \$10. They will then sit in the stands as a band and watch the remaining bands perform.
- It is customary for visiting bands to stand at attention while the home band performs.

**Competition Day:  
Parents**

- The time for our performance at competitions can change, even on that day, so make sure to get there early to ensure you don’t miss our kids.
- Remember our competitions run into November and you will be sitting on bleachers in football stadiums. Dress warmly and bring a blanket!
- The BRBB will announce if tickets are available for sale ahead of time. Otherwise, they are available at the gate. Sometimes there is a price break for buying early. Prices for high school competitions are generally \$10 to \$12 per person. Championship competitions at the end of the season usually run \$20 to \$25 per person.
- If you go to a competition: plan on driving directly back to SAHS to pick up your students. The band usually arrives within 5-10 minutes after you arrive.
- The Director may hold the students for a short wrap-up meeting before dismissing them.
- If you do not go to the competition: make sure your student has arranged for a ride or give them a cell phone so they can contact you.
- When possible, staff will send a text message via Charms to let you know the busses' anticipated arrival time at SAHS.

**Support the Host  
School**

At competitions, the host band does a variety of things to raise money for their organization. Please support them. Purchase candy, flower, and air grams *prior* to our group performing because they receive a bag with the candy and flowers directly following their performance. This is a great way to give a pat on the back to the students. They love getting “presents” after the performance.

Ways to support the host band and our group:

- **Candy Grams.** These generally sell for \$1-\$2 and you write a message to send with candy to your child or to anyone you wish who is associated with the group (instructors, other kids, and so on). Students love these because it’s something to eat!
- **Flower Grams.** Same idea as Candy Grams but they are fresh or silk flowers sold at a variety of prices. Girls like this more than guys!
- **Air Grams.** Not at all competitions. This works differently than the candy or flower grams because there is nothing tangible with this. Just prior to your group performing, they announce the air grams over the public address system. An example might be: “Good luck, Susie. Love, Mom and Dad.” Sometimes they are funny or inside jokes to people. Generally \$1 to \$3 per message.
- **Food.** You can find an assortment of food to buy at competitions from hot dogs and pizza to drinks and snacks. Great idea instead of cooking!
- **Program Books.** Gives a listing of competing groups with their time of performance along with other information. Generally \$5 to \$10.
